## Enrolment Policy Statement

The Illawarra Grammar School is a non-selective coeducational Anglican school enrolling students from Preparatory to Year 12.

Students from a wide range of backgrounds, including language background other than English, Aboriginal or Torres Strait Islanders, international students and a number of students with special needs are enrolled at the School.

The School provides an education underpinned by Christian values and operating within the policies and requirements of the NSW Education Standards Authority.

As far as possible, the School seeks to maintain a reasonable balance of boys and girls.

All applications are processed in order of receipt. Consideration is given to the applicant's support of the ethos of the School, siblings already attending the School and other criteria determined by the School from time to time.

Once enrolled, students are expected to act consistently with the School's ethos and comply with School rules in order to maintain enrolment. Parents are expected to be supportive of the ethos of the School.
