## Homestay Rates 2023

### Homestay at TIGS

Homestay offers a unique opportunity for students to experience Australian lifestyle and culture in a safe, friendly and caring 'home away from home' environment, as well as the opportunity to practice their English in real-life situations.

Our international students are accommodated in carefully selected homestays with either a TIGS family or a family from the local community. These families are reputable and provide quality accommodation.

To ensure our students are provided with a safe and caring environment, all our families undergo regular insurance and police checks.

We interview and inspect all families in their homes prior to their being accepted as homestay families and on an ongoing basis, in order to ensure high standards are maintained.

Transport to school is available from all homestay locations.

Guardianship can be provided for students under 18 years of age who are not living in Australia with a parent/custodian or nominated relative.
